These General Terms and Conditions for Purchase Orders apply to the Purchase Order.
- The Purchase Order shall contain a description of the Goods, applicable prices and delivery details and may contain special conditions (if any) in a separate section titled “Notes, Instructions and Special Conditions”. The Purchase Order may also include attachments (if any) referenced therein.
- In case of any conflict or ambiguity, the Purchase Order Form (including any attachments) and special conditions (if any) shall have precedence over these General Terms and Conditions for Purchase Orders. The Supplier must not make such corrections or changes until the resulting cost and time impacts have been agreed between the parties and the proper Purchase Order document with the appropriate 'revision number' has been authorised and issued by the Purchaser and acknowledged and accepted by the Supplier.
